- Jessica Thoron, B.A., L.E.H.P. Food Program Supervisor (SCDPH)
- Vidya Sundareshan, M.D., M.P.H., Assistant Prof, Division of Infectious Diseases, SIU School of Medicine
- Don Hunt, B.S., Director Adult and Laboratory Services (SCDPH)
- Mark McAndrew, M.D. Prof of Surgery, Ortho and Rehab, SIU School of Medicine

Vendor and Displays

- GSK
- Illinois Department of Public Health TB Control
- Abraham Lincoln Medical Reserve Corps
- Sangamon County Department of Public Health

Monetary assistance has been provided by the vendor to assist with the cost of the conference and has no influence on the content.

The purpose of this program is to provide current information about Public Health events and services that affect the community.

At the conclusion of this program, participants will be able to:

- Summarize hot topics in Public Health
- Recognize environmental factors that affect healthy outcomes for persons in the community
- Identify current practice in Sexually Transmitted Diseases (STD) prevention
- Contrast the effects of the 1994 L.A. quake and the 2010 Haitian quake
- Discuss disaster medicine under austere conditions

“Memorial Health System is an approved provider of continuing nursing education by the Illinois Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.”

Contact hours have been applied for.

Participants must attend entire conference and complete an evaluation to receive contact hours.
